

Résumé

Personal Details:

Name: Hossein Jalalifar
Title: Associate professor
Address: ShahidBahonar University of Kerman
Faculty of Engineering
P.O.Box 76175-133, Kerman, IRAN
Tel./ Fax: +98-341-2123083
E-mail:

Education:

1. Diploma in **Physics and Mathematics**, from Hor high school in Bam, Iran in 1998.
2. BSc: **Mining Engineering** from Kerman University, Iran, graduated 1994.
3. MSc: **Rock Mechanics** from University of TarbiatModarres, Tehran 1997
4. Ph.D: **Rock Mechanics** from Wollongong University-Australia in 2006.

Work Experience:

- 1 A member of academic staff in Shahif Bahonar University of Kerman since 1997.
- 2 Underground and surface projects designer in consulting company from 1997 to 2002
- 3 Part time job in a consultant company in Australia from 2005 to 2006.
- 4 Consulting in an oil storage cavern in hard rock from 2010-2011.

Research Interests:

Advanced Rock Mechanics, Advanced drilling, Wellbore stability, Advanced support in mines, Tunneling, Numerical modeling and Slope stability design.

Publications:

- Papers in International Journals ۳۸
- Papers in National Journals ۷
- Papers Published in Proceeding of International Conferences ۴۶
- Papers Published in Proceeding of National Conferences ۶۹
- Technical Reports -----
